**Q TRANSFER CREDIT**

Courses taken outside the University of Ottawa (or experience acquired) before one's admission and recognized as part of the University program are represented by letter « Q » in the grade column of the transcript. These courses are not included, however, in the calculation of grade point averages. Please note that credits awarded for advanced standing refer to the last program at the University of Ottawa.

**X EXEMPTIONS**

Exemptions from courses normally required in the program are listed on the transcript with the symbol « X » in the grade column. They do not affect the grade point average. Exemptions must normally be replaced by other courses of equivalent weight.

**UNITS**

A unit is defined as 12 hours of formal lectures or the equivalent.

**SIZE**

Number of students enrolled in the course are indicated on the transcript provided that at least six students are enrolled in the course.
